

## THANK YOU

We would like to thank all of you for the hundreds of condolences received via personal visitations, phone calls, and e-mail. Your heart-felt sympathy and kindness have been sources of comfort as the family, friends, and the community at large grieve the death of Ibrahim Shifa. May God abundantly bless all of you for your kindness and compassion.

Ibrahim left behind a precious thirteen year old daughter, Tnur Ibrahim, who has been a source of hope and inspiration to us all amid the deep sense of loss we are in at the moment. Since she was solely dependent on her father's financial support, his untimely departure has put her education in great jeopardy, as if the loss of her father's mere presence around her at this critical age were not enough.

In order to help her continue her education, the Tigrayan community in Chicago and friends in other parts of the country have been making donations in memory of her late father, Ibrahim Shifa. If you could find it in your heart to help Tnur Ibrahim, please send your contributions to:

Mohammed M. Shifa

Philadelphia, PA 19104

Once again, thank you so much for supporting Tnur Ibrahim Shifa at this difficult time. Your generosity, combined with her family's support, will enable her to attend school without the constant worry of financial constraints.
