

## ***Call for 3<sup>rd</sup> round GNTS-MU regional Tutoring/Mentoring programme***

As a continuation of the 2013 and 2014 GNTS (Global Network of Tigrayan Scholars/Intellectuals (formerly called TSAN) and MU (Mekelle University) Tutoring/Mentoring programme, which was delivered to about 1300 high school and pre-college students from Tigray high schools and preparatory schools, GNTS and MU are now more than glad to announce that the programme will continue for the coming summer with more number of participating students and additional inspiring programmes such as **Consultation Service (Study tips, Time management, exam mastering, etc), Computer Training, Science/Technology Fair/Exhibition, Academic Visits to Educational Sites (Laboratories, Industrial hubs, Dams, Wind/Solar plants,...),** activities pertaining to **Technology/Knowledge transfer** etc. Hence, high performing university students who want to be Tutors of this novel programme are cordially invited to apply for the **1 ½ month** extensive summer programme that will take place at Mekelle University, Tigray. Moreover, GNTS is considering extending its programme to other areas in collaboration with **Adigrat** and **Axum** universities and will announce soon. The Tutoring/Mentoring programme will be focusing on **Natural Science, Language** and **IT** fields, namely, Mathematics, English, Chemistry, Physics, Biology, and Computer Science.

### ***What does GNTS-MU offer to successful tutors?***

- **Free Accommodation and Food Service** during the whole programme duration + one week preparation time
- **Additional Financial Support (Attractive Pocket money)** covering for the 6 weeks programme duration- The amount and mechanism of payment will be notified at the time of contract in the presence of both sides.
- **Participation certificate** and other related benefits
- Possible **project sponsorship** for their graduation final project
- Package of **E- Materials (Softwares, Programmes, Articles,etc )**, **Access to Internet** etc
- Opportunity to detailed interaction with GNTS-MU professionals, enabling for further **personal and professional development prospects**, such as scholarships, trainings etc.

Currently GNTS-MU would like to recruit a number of high scorer university degree and above students as **Tutors/Mentors** (including 1 supporting coordinator) and applicants need to send the following documents:

- **Final Grade report** (if possible recent cumulative grade report)
- **Motivation letter** (why you want to apply to this programme?)
- **Recommendation letter** (not mandatory, but beneficial)
- **Certificates** such as teaching experience or other community services are encouraged
- **Female applicants** are highly encouraged

Applicants need to send their scanned application form of the above documents at once starting from the date of announcement (12/06/2015) both to GNTS via [tsansociety@gmail.com](mailto:tsansociety@gmail.com) and Mr. Leake Zegeye (Mekelle University): [leakezegeye@gmail.com](mailto:leakezegeye@gmail.com). The deadline is set for **26/06/2015 at 18:00 (CET)** or **23 Sene 2007 E.C at 2:00 evening** (Ethiopian Calendar).

**N.B:** Results of successful candidate Tutors and class starting date will be announced on **27/06/2015** (CET) or **24, Sene 2007 E.C**
