

## **Greetings dear readers**

I would like to introduce you to this 1<sup>st</sup> documentary call **“Eritrea from colonialism to the Founder of Human Trafficking and Modern slavery”**. This book covers the history of Eritrea from the earliest ages till the present day. The book consist of 718 pages and will appear on websites soon. This book has different documents which was writing intellectuals, governments, humanitarians, websites, individuals and the United Nation along with my personal introduction and comments, images of philosophers with proverbs and many interesting photos emphasizing the tyrant in Eritrea and the genocide imposed upon the our people. I am sure this book will help to educate and enlighten people about what is happening in Eritrea. This will be hugely beneficial to students, especially Eritreans for their graduation testimony and historical research on Eritrea. If you wish to buy this historical book take my **e-mail please. elfabarham@gmx.de: Tel. 0049 561 8152 97: Mobile. 0049 157 7109 29 50: thank you for all, and God bless you.**
