

SECURITY AND JUSTICE FOR TIGREANS IN ETHIOPIA

ድህነትን ፍትሕን ንትግራዎች ኣብ ኢትዮጵያ

Dear Tigrean Compatriots,

We hope you and your family are in good health, despite the troubling effects of the COVID-19 pandemic. As you are aware, these past two years have been extremely challenging times to the people of Tigray. This is mainly due to the orchestrated in/actions of the predatory Government of Ethiopia whose survival seems to depend on rummaging Tigray in its totality. Although largely foiled by the expeditious and united responses of the Tigreans, the calculated in/actions of the Federal Administration to destabilize Tigray nevertheless remain a major threat.

Alarmed by this threat, we Tigreans in the DC Metro Area have come together and initiated a non-political, non-religious global movement called “Security and Justice for Tigreans in Ethiopia”, aka SJTE. The purpose of SJTE is to defend the interests, wellbeing and aspirations of the people of Tigray as it is articulated in its mission and goals. To this end, it is an integral part of its mission and goals to bring all Tigreans around the globe together in order to defend our shared aspirations effectively. SJTE believes that the magnitude of our problem is so alarming that it warrants more meticulous and strategic collaboration commensurate to the scale and intensity of the challenges of now and ahead. SJTE is, therefore, reaching out to you and all Tigreans in the perimeter of your network to join this call of paramount importance at this perilous juncture in our history.

In the light of this, SJTE is going to hold an international Teleconference on Saturday, May 16, 2020 starting at:

- 8:00 AM PST
- 10:00 AM CST
- 11:00 AM EST
