

Queen Of Sheba Alumni Bay Area Chapter General Meeting

June 24, 2010

As many of us know Nigesti Saba (Queen Sheba) High School has been the cradle of education for many Ethiopians living in and around the city of Adwa. This historical high school became the stepping stone for those seeking higher education and it continues to-date to produce many scholars.

Despite of its historical establishment, Nigesti Saba High School has fallen behind many modern high schools in the country. Many who visited the school are dismayed by the dilapidated torn buildings, the lack of laboratory equipments and library as well as computers in the school.

We in the Bay Area have organized under the umbrella of Queen of Sheba International Alumni in order to resolve the problems that our former school is facing. We are inviting all Nigesti Saba High School alumni and any concerned Ethiopians and friends to join us in our endeavor to help the school get the much needed teaching materials as well as the restoration of buildings.

The Queen of Sheba Alumni Bay Area Chapter is sponsoring general meeting on June 27, 2010. Please come and join us.

Place: 2500 Masonic Dr, San Jose, CA 95125

Date: 6/27/2010

Time: 12 to 3PM
