Dear Ethiopian Health Care professionals

People to People Inc./P2P/ would like to cordially invite you to its

1st Global Ethiopian Conference on Health Care and Medical Education to Ethiopia

Which is going to be held at the College of Medicine, Howard University Main Medical Auditorium, Rm 3019, 520 W street, NW Washington DC **on September 26, 2009**. Attached please find a copy of the agenda of the meeting.

The conference is expected to bring together Diaspora health professionals in the U.S. who have already been involved in the process of health care development in Ethiopia, professionals who have the desire to give back to their country of origin, the Minister of Health of Ethiopia, the Dean of the Medical Faculty of the Addis Ababa University, President of Ethiopian Medical Association (EMA), Civic society representatives, representatives of international organizations and invited scholars and scientists from the United States. The conference is designed to permit open dialogue among these stakeholders in health care development in Ethiopia while searching for optimal avenues and common grounds. In its one day deliberation, the conference will have realized the following specific objectives.

BOARD ADVISORS

DAVID SHINN, PHD
Former Ambassador to Ethiopia
Washington, D.C.

- Improved understanding of the current status and challenges of the health care delivery system and institutional capacity in Ethiopia,
- Open dialogue on health care and medical education capacity development and service delivery policy and strategy in Ethiopia,
- Lay down effective mechanisms for Diaspora health care professionals' involvement in the development of the Ethiopian health care delivery system and educational institutions.

Please therefore confirm your participation via the email address info@peoplepeople.org.

Together find solutions for our challenges,

Sincerely,

Enawgaw Mehari, MD
