Place: Afro American Center

We will update members with the summary of the key highlights from the 20th year anniversary conference that was held on the second week of August '2009 in Washington D.C., and also share the appreciation award that was given to **TDA Bay Area** for completing the Asgede Tsimbela (አስገደ ፅምብላ) Elementary school. All TDA-NC members and supporters should be proud of this accomplishment, and we thank you all for your cooperation and support you showed during the fund raising drive.

As you all know current board members have been serving for more than 2 years now, and it is time to elect new board members. So, we urge every member to make the best effort to come to this meeting and make a difference on how our chapter will proceed forward. TDA members that will be nominated to serve in the board need to be present.

We hope to see you all on this very important meeting. We will have membership forms available for new members and we appreciate if you can bring your close friends as well. We will also collect the annual membership fee for 2009-2010 year which is \$60.00.
