

CONDOLENCE MESSAGE ON BEHALF OF THE AXUM ALUMNI ASSOCIATION

**YOU WILL ALWAYS BE LIVING ON IN THE
HEARTS OF THE PEOPLE FOR WHOM YOU
HAVE SACRIFICED YOUR IRRETRIEVABLE AND
PRECIOUS LIFE.**

**On behalf of the Axum Alumni Association and myself, I
fall short of words to express the deep and heartfelt grief
that we felt when learned the death of heroes and
heroine, the sons and daughter of the Ethiopian people in
general and the Tigrain people in particular.**

**The news was not only alarming, painful, and shocking
but the loss was also unparalleled. Many of them have
struggled and served their country with great honor, with
pure heart, and with clean mind. They have stood tall to
bring peace and equality among their people. Their
services are unforgettable and memorable that will always be living on in the hearts of the immediate
family and the entire Ethiopian people.**

Right now, what streams through me and I believe through every member of the Axum
