Ethiopian-Eritrean Friendship Conference  
March 12, 13, & 14, 2010  
2500 Masonic Dr., San Jose, CA 95136

The Ethiopian Eritrean Friendship Committee is pleased to announce that the second **Ethiopian-Eritrean Friendship Conference** will be held on March 12-14, 2010 at Masonic Center in San Jose, California.

The aim of the conference is to bring together Ethiopian and Eritrean scholars and academicians from around the world to discuss ways and means of healing past conflicts and building future relations between Ethiopia and Eritrea.

In our first conference (March 2009), Professor Tesfatsion Medhanie from Germany and Professor Daniel Kendie from United States were keynote speakers on this issue. While Professor Tesfatsion Medhanie presented confederal relations, Professor Daniel Kendie proposed a federal system as possibilities for future relations between Ethiopia and Eritrea.

The upcoming conference will explore wide range of topics related to Ethiopian and Eritrean relations through keynote speeches, panel discussions, and research papers. The conference is open to the public and all interested individuals or parties are encouraged to attend.

It is our hope that this occasion will add a new chapter to the promising people to people initiative for healing, reconciliation, and harmonious relations between Ethiopia and Eritrea.
