TDANA : Annual TDA Night Announcement for Bay Area Chapter

Dear Members:

As you all know, for more than twenty years, TDA International has done remarkable job in building schools, libraries and clinics in Tigray. The many schools built have helped the region to attain a hundred percent of primary school needs. Today in Tigray no child walks more than two kilometers to his/her elementary school. This would not have happened without your contribution, **thank you!**

On October 14, 2012, you elected us as board members to coordinate the Local chapter activities for the next two years. Since then we made our priority recruiting new members and retaining current members and asking them to renew their membership.

As part of our ongoing effort to renew our chapter and bring our community together we have decided to declare the week of Thanksgiving as TDA week every year.

We will hold our annual TDA night starting this year on the last Saturday of November. This year it will be on Nov 30, 2014. We hope you will mark your calendar and join us for a festive Thanksgiving weekened and together say thank you to those who are making a difference in our people's life back home!

Place: 2500 Masonic Center San Jose CA

Time: Nov 30, 2013 5PM to 12:30 PM

Thank you so much for your support.

Thank You.
