Dear Mr. Habtamu ,

Greetings and good will from Otherways International.

This July "OMAC" Otherways Management Association Club-Paris will be celebrating:

"The Platinum Technology Award for Quality & Best Trade Name"

We are glad to inform you of the big success of "**The Green Economy Forum**" that was held in Berlin last March. Businessmen and women from 51 countries from across the globe attended the event and shared their success stories, green initiatives and received "**The Green Era Award**" that is designed to recognize true global sustainable examples of companies that have shown green practices in their performances.

OMAC board attaches great importance to this award and its social & environmental responsibilities, and because you have missed the opportunity in March, OMAC gives you the occasion to join us on our new convention to be held on July 26th & 27th in Rome - Italy, where you will be given the chance to receive "**The Platinum Technology Award for Quality & Best Trade Name**" for which "**TACON P.L.C.**" has been nominated and selected.

The Prize Giving Ceremony will take place on the **27th of July 2015** at the Rome Cavalieri Hotel - Italy, after a Cocktail Reception and a Gala Dinner where you will get to meet and connect with businessmen from different sectors across the globe as well as the Consular and Diplomatic Corps of your country who will witness these memorable moments of your company.

OMAC will be glad to provide you with the list of the previous awardees from your country (*upon you request*) & the criteria that led to your selection for this award.

Dear Mr. Habtamu, Kindly accept our invitation to this special occasion and confirm your attendance at your earliest convenience by filling the registration form and by sending it to awardee@otherways.org
