

Ethiopian Aviation Academy Ranked amongst the World's Top Aviation Training Centers

Addis Ababa: February 7, 2018

Ethiopian Aviation Academy (EAA), the largest and the most modern aviation academy in Africa and a full ICAO TRAINAIR Plus Member has been ranked among the top World Aviation Training Centers by Aviation Voice, a global aviation news provider engaged in ranking of aviation training centers all over the world.

The ranking is against 18 carefully calibrated performance indicators to provide the most comprehensive and balanced ranking covering the full range of a training center's areas of activity including number and types of programs, opportunity of cadetship and aviation training combined with higher education studies, data on the number of students, instructors as well as information regarding the size of fleet and the network of flight training devices the training center operates, among others.

Ethiopian Aviation Academy is an ICAO designated Regional Training Center of Excellence hosting ICAO courses; European Aviation Safety Agency (EASA) approved Maintenance Training Organization, International Air Transport Association (IATA) Authorized Training Center (ATC) and Accredited Training School (ATS) and Ethiopian Civil Aviation Authority Approved Training Organization (ATO). The Academy is also working to become an IATA| Regional Training Partner (RTP).

Over six decades old, Ethiopian Aviation Academy is a world class Aviation Training Center equipped with state-of-the-art and best in class training equipment and technology offering full range of Aviation Training Programs.
